

Bowling Alley Dimensions

These illustrations are for discussion purposes only, and are not to scale. No two bowling alleys are exactly alike. No architectural, engineering, or construction work should be based solely on these illustrations. Contact Fusion Bowling to receive friendly and free consultation during any phase of your bowling alley construction project. We are happy to help anyone.

Fusion Bowling focuses on uniquely customized private bowling alleys. Our goal is to provide the highest quality components and the most delightful customer experience in the bowling industry. Please call us at 904-701-BOWL (2695), or email hello@fusionbowling.com to get started. Thank you, and good luck with your project!
